

# DESIGN MATTERS

## ANALYSIS

Analysie the design brief. Some key questions;

How to tell the time? Where will the clock go?

How big should it be? Materials to be used?

## DESIGN BRIEF

Use the inspiration image to create a clock.

The clock must suit a primary school.

## INSPIRATION

## EVALUATE

Use the inspiration image to create a storage unit that meets the points in your specification.

## SPECIFICATION

Write three specification points, based upon your analysis. Remember 'Design Factors'!
