

DESIGN MATTERS

ANALYSIS

Analysie the design brief. Some key questions;

What can be stored? How can it be stored?

How will it attach to a wall? Materials to be used?

DESIGN BRIEF

Use the inspiration image to create a storage unit.

The storage unit must be wall mounted, to suit a typical home.

INSPIRATION

EVALUATE

Use the inspiration image to create a storage unit that meets the points in your specification.

SPECIFICATION

Write three specification points, based upon your analysis. Remember 'Design Factors'!
